I met my love by the gas works wall
Dreamed a dream by the old canal

I Kissed my girl by the factory wall

Dirty old town

Dirty old town

Clouds are drifting across the moon

Cats are prowling on their beat

Spring's a girl from the streets at night

Dirty old town

Dirty old town

I Heard a siren from the docks

Saw a train set the night on fire

I Smelled the spring on the smoky wind

Dirty old town

Dirty old town

I'm gonna make me a big sharp axe

Shining steel tempered in the fire

I'll chop you down like an old dead tree

Dirty old town

Dirty old town

I met my love by the gas works wall

Pogues - dirty old town

Dreamed a dream by the old canal
I kissed my girl by the factory wall

Dirty old town

Dirty old town

Dirty old town

Dirty old town
